RE: 2021-22 Small Capital Improvement Program Funding Increase; *Deadline extended to June 14, 2021*

I am pleased to inform you that I have approved additional funding for the 2021-22 Small Capital Improvement Program (SCIP). As noted in the original call letter dated February 4, 2021 (attached), funding was limited to \$10 million, and units were asked to submit only their top one or two priorities. Due to the availability of one-time campus funds, I am increasing the funding for this important program to \$20 million. As a result, units are invited to submit additional proposals if you choose. The deadline for submitting proposals is extended to June 14, 2021, to allow time for developing any additional projects.

All other program guidelines remain as outlined in the attached call letter. Please contact Assistant Vice Chancellor Janet Mason or Jeanne Doig if you have any questions about the program or process.

Sincerely,

DocuSigned by:
